Joint Vestry following agreement by both Vestries, we are beginning a process of merging our two vestries into one so that our structure of governance is made secure for future years. What this means is that some of the roles and responsibilities can be shared, freeing up people to support the life of the church in different ways. There is a process to follow, leading up to our AGMs in November when we will need to agree a new joint constitution and form a new merged vestry. We will produce a schedule of what happens when so that everyone is aware of the process. Please speak to Revd Alison if you have any concerns or questions.
